## REVENUE NOTIFICATIONS.

No. 4.—In virtue of the powers delegated under clause XI of the Revenue Notification No. 446, dated 24th July 1913, published on pages 1238 and 1240 of the *Port St. George Gazette*, dated 28th September 1913, Part I, and in pursuance of Board's Resolution No. 16, dated 16th July 1913, the Commissioner of Salt, Akbari and Revenue Services hereby prescribes the following rules for the issue, sale, of license under section 12 of the Madras Abkari Act I of 1884, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1920:—

(1) The villages in the Agency divisions specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Madras district and the Wynod taluk, Bangalore, Tanjore and the Arupphadi valley of the Malabar district.

(3) The Bangalore State.

## 3. Tree-tapping license shall be issued on the application—

- (a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;
- (b) of persons having the exclusive privileges of manufacture and supply of domestic toddy at such or foreign liquor;
- (c) of persons on their own application in the South Kanara district, provided that the application be accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is not returned or acknowledged to be correct by the shopkeeper in whose shop the toddy is to be taken;
- (d) of non-owners generally, and of non-toddy tappers in the villages of the Agency divisions specified in Schedule 2, in the Chikmagalur district, in the Sargur, Chikmagalur, Tumkur, Eduru and Yerragudi taluks of the Kistna district, in the Koppal and Bagalkot taluks of the Gunter district for not more than five trees in the case of tree-owners and three trees in the case of non-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale;
- (e) of toddy shopkeepers in certain in the Mysore territory and in the Bangalore State desiring to obtain toddy from trees growing in British territory;
- (f) of toddy shopkeepers in the Madras district desiring to obtain toddy from trees in British territory provided that the application is certified or counter-signed by the Salt and Akbari Inspector of the State; and
- (g) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Yerragudi district specified in Schedule 2, for not more than five trees for each household for domestic consumption but not for sale.

In cases (b), (c), (d) and (e), the license may be issued in the name of the applicant himself or of his son, and in cases (f), (g) and (h) in the name of the applicant only.

4. Persons wishing to apply for the grant of tree-tapping license must first pay the fee (or the first instalment thereof, as the case may be) due as a deposit of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. District officers may also empower heads of villages to receive payments on account of license and to grant receipts therefor. Panchayat members when applying for trees in British territory must pay the full tree-tax into a British treasury at the rate prevailing in British territory.

5. (1) Applications for the grant of tree-tapping license must be made in the prescribed form to the Inspector, Salt, Akbari and Customs Department, in charge of the area in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Akbari and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must have a receipt stamp of one anna. In any case, if the fees have been paid into a treasury, the applicant must obtain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Persons resident and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Auditor's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned along with the application in form T.T. 9, the receipt with the Auditor's certificate as the foot to the effect that the applicant is a person entitled to take such tree-tapping license in Mysore. The tree-tax should be estimated at the higher rate if the trees are not the same as the two sides of the frontier.

(2) Applications for tree-tapping license in the South Kanara district should be counter-signed by the owner of the trees intended to be tapped, or taken of his consent.

6. Toddy shopkeepers in areas adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops as payment of the whole of the tree-tax is now made into the British treasury and subject to such exceptions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the British and the Mysore Governments with regard to the issue of license for tapping trees in either territory on the application of licensees or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford not thereby or for other welfare reasons and the same payment of tree-tax (into British or Mysore treasury) does not entitle an applicant to tapping license for trees so reserved.

7. Toddy shopkeepers in British territory adjoining the Bangalore State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Madras district. Sixpence (one in the Bangalore State) will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing in both sides of the frontier.

case of ships from the process of preparation will be allowed from the 15th September but the revenue required for the service of the ship leaves will not be allowed before the expiry of the 30th September. In no case shall tolls be drawn except during the currency of the license.

10. All tolls drawn under the new-tapping license granted in accordance with these rules shall, as soon as the jobs containing it are removed from the trees, be immediately conveyed direct to a distillery or a licensed toddy shop under a general license permit which will be granted gratis by the Inspector. In the South Kanara district when a licensee desires to change the shop to which the tolls are to be taken, the permit will be amended on application and on payment of two annas in addition to the sum-of-one stamp of the value of six annas to be affixed to the application. His tally drawn under these rules shall be valid otherwise than in a licensed distillery or shopkeeper except at a regularly licensed shop. Over-draws or sales in the open are absolutely prohibited.

11. Licensees must and secure no tolls shall be drawn or kept by a person holding a license under these rules in the parties or field in which stand the trees which he is licensed to tap, except the tolls collected in the jobs attached to the copies of the rules, provided that the Commissioner of Salt, Alkali and Opium Revenue may, on sufficient cause being shown, allow the restriction in any local area.\*

The Standard Barometer and Thermometers are read at 6 a.m., 10 a.m., 4 p.m. and 8 p.m., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The centre of the barometer is twenty-one feet above the level of the sea, and the

position of the rain gauge is two feet from the ground. The wind, rain and general weather registered are for the actual Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st to 31st instant, the average day in the same period being 7.46 inches.

[PRICE, 2 annas.]

## SALT, ANKARI AND CUSTOMS DEPARTMENT.

### NOTIFICATION.

No. 2, dated 28th June 1902.

#### NOTICE OF SALE OF ANKARI PRIVILEGES.

Notice is hereby given that the privileges of sale of toddy in independent shops in the territories under the Presidency, including the Pongampalle State and the toddy farms of 121 villages of the Pudukkottai, Malabar and the Agency Districts, will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1902 and ending 30th September 1903. The number of shops and farms, the localities appraised for them and the dates on which the places of which the officers by whom the auction sales will be conducted will be notified by Collectors and the Agency Commissioner in their District Gazetteers. A separate notification will be issued regarding operations under the toddy system.

#### Conditions of Auction Sale.

I. A deposit must be made by each bidder before bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will sufficiently be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 25 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Madras District, the selling officer may, where he finds it necessary, require a deposit of Rs. 25 from bidders for toddy shops. In the South Arcot District, the selling officer may, at his discretion, reduce the deposit to Rs. 5 for shops whose average monthly rental does not exceed Rs. 5. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 25 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms.

II. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upon prices will be fixed at the discretion of the Collectors. The reserve price fixed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors, whenever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power of attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of license as of a contract under the Act as to render him undesirable as a holder of a license; or (2) that he is insolvent or is adverse to Government; (3) that his bid is purely speculative; (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is adjacent to the shop, or of a neighbouring village; (5) that he is a regular supplier of country spirits for the contract area within which the shop is situated; (6) that he is a known bidder for beer shops; (7) that such a person is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

V. The shops will be knocked down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected, the next highest shall be taken or the shop sold

at the selling officer's discretion. In case of dispute the selling officer's decision shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale is held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the successful bidder will be returned in full. In the event proceeds, such proceeds, when bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under clause I) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause I will be forfeited and the shop or farm will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulters will be debarred from bidding again for the same or for any other shop or farm in the sale then in progress.

VII. Any person to whom a shop or farm has been knocked down and who has made deposits as provided in clauses I and VI shall also deposit, in such or specified sum(s), within ten days from the date of announcement of the Collector's acceptance of the bid, such further sum or sums, the balance deposits will make up two months' rent and shall without unnecessary delay take out a licence or the conditions hereunder set forth. In the event of the purchaser's death, after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence. Should the initial deposit exceed two months' rent, the excess will be refunded unless the purchaser is required to deposit more than was under clause VIII below.

VIII. If an enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rent in addition to the sum provided in clause VII above, or to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser. Or the purchaser shall be required to get a mortgage or to execute a mortgage deed for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the estate or estate or by the purchaser.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. In all cases where moneys are demanded the balance shall be paid in cash or by a counter-claim agreement.

IX. On the failure of any person to make a deposit or take out a licence under clause VII or to comply with any requirement or to execute any engagement under clause VIII above, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the District Officer or a sale to be notified by the Collector or may be otherwise disposed of by the latter officer. Resale under this clause will be at the risk of the defaulting bidder, who will forfeit all gains and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an amount of cash received. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of, or otherwise than by resale and such deposit made in his or Government is required with the original sale.

X. The purchaser of any estate or rights therein is liable to the penalties prescribed for breach of the conditions set forth below, though a formal breach may not have been found to him.

XI. The deposits referred to in clauses VII or VIII may be made either in cash or in recognised Government, Post Office, Municipal or Local Board securities, or by depositing Postal Savings Bank pass-books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Union Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they should be of such higher face value than the cash deposit required, as in the circumstances of the market he may think necessary. The securities or Savings Bank pass-books deposited must be retained in the name of the Collector and Government treasury notes must be advanced for payment of interest at the maturity of the deposits, the deposits must be made in the name of the Collector at the district, the securities must agree in writing that he is indebted to the State, if any, (involving in the transactions and the State must certify on the deposit certificate granted that the deposit is refundable to the Collector's demand).

Deposits in cash will be adjusted towards the instalments of rent due in the last month of the period of the lease. Deposits of securities or Savings Bank pass-books or Co-operative Bank deposit certificates will be returned upon payment of the full amount of the rent due in cash at the expiration of the lease, the balance, if any, due to Government must be paid in cash. In case of default under clause IX of the conditions of sale, the balance due to Government must be paid in cash, the balance due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

#### General Conditions applicable to all Aghars and Open Leases.
